The 1986 Annual Staff is proud to present this year's annual to not one individual, but to a group of individuals. This group has striven to maintain the pride of the Robert Lee School in all that they do in the school. This group has not only helped us in the classrooms, but also on the football field, basketball court, golf greens, and in track and field. With much appreciation, we dedicate this year's annual to the ROBERT LEE COACHING STAFF. Thanks coaches!!!

8th graders are

FRESHMEN ARE ...

Rarely Normal. They act like they are scared of everybody and everyone.
Eggheads. They are really bad at attempting to impress the upperclassmen.
Social Outcasts. Who wants to be seen with a Freshman?
Hard to get to do anything.
Mentally unstable. They are always having to be called back to earth by the seniors.
Enthusiastically trying to get the teachers and upperclassmen to like them.

Nerds!

SOPHOMORES ARE ... Awesome

Outclassed.
Pretty, pretty pesky. They are always underfoot.
Harrassing the fish! When you are in their position, you take it out on anyone you can.
Outlandish. They are beginning to test their new found freedoms with their drivers license. Stay off the sidewalks!
Monsters. They would make Godzilla feel at home.
Out-of-this-world. Some of them even look like it.
Responsible for everything. The upperclassmen have to have someone to blame for their mistakes.
Entertaining. Just watching them try to act superior is fun in itself.
Silly!

JUNIORS ARE ...

Unreliable.
Notorious for getting in trouble.
Inspirational Individuals.
Outrageously Obnoxious!
Rebellions who dare life by driving to school, driving home, and just driving.
Soon to be Seniors!

SENIORS ARE ...

Exhausting their authority.
Nifty Noodles. Incredibly Impressive. Everyone wants to be a Senior!
Omnipotent.
Ready and Raring to go. They were born ready.
Smart, Self-confident, Stupendous, and Definitely Superior!!!

Jelicia,
I really enjoyed having you in class these two years. You were always unpredictable in your grades (0 or 100) but usually you leaned toward the A!! I enjoyed your smile - it always brightened up the class; (and goodness knows we needed some help in 3rd period!! Ha!) Have a great summer and an even better freshman year - Lots of love & luck always!!!
